

Thanks so much for your nice note!!! It has been a REAL trip...but a fun one!! Started in the 60's...then abruptly stopped when I became the proud owner of a children's clothing store in Shreveport .... this lasted for 23 years with very little bridge involved and then I became a manufacturer's rep in Dallas ... I took over my Aunt's business and expanded it .... I did this for about 15 years and retired when I had to have serious back surgery .... then ... back to the bridge table ... and ... one of my oldest and dearest friends was back in Shreveport and we started playing LOTS and having lots of fun and meeting so many nice and interesting people ... we went to tournaments and actually chaired one in Shreveport last year ... now we are playing on BBO in the support your club games and challenging ourselves with the "bots"....  
Thanks again! Lola Herndon
