

DISTRICT 10
MID SOUTH BRIDGE CONFERENCE
Executive Committee MEETING
March 3, 2022

The Mid-South Conference Board of Delegates Executive Committee met on March 3, 2022, in a virtual Zoom meeting hosted by Larry Sealy, District 10 President.

The Following District 10 officials were in Attendance

District 10 President – Larry Sealy
Vice President – Robert Whiting
Treasurer – Pat Williams
TOC Chair – Chuck Wilkinson
D10 Past President – Vicki Willis
Secretary- Judy Knox

President's Welcome

The meeting was called to order by Larry Sealy, President of District 10 at 4:30pm CST. Larry Called this meeting to discuss the following topic:

1. D10 Contribution to 2023 NOLA NABC

D10 Contribution to 2023 NOLA NABC

The Executive Committee discussed the subject of a financial contribution to the 2023 NABC in New Orleans. In the past, the district has contributed to the local Tournament Committee's budget for hospitality at all NABC sites conducted in our district. Changes to the regulations have transferred many of the hospitality costs of the NABCs to the ACBL. Despite the adverse effect the Covid 19 pandemic has had on the financial condition of the district's treasury, the committee expressed a willingness to consider a contribution to the local unit's NABC Hospitality budget, if needed. The 2023 New Orleans NABC Tournament Committee chairman was contacted to determine if there was need for additional hospitality funds, and if so, how much and for what purpose.

Larry talked to Larry Federico (NABC TC) and asked him for a budget and funding request. Federico provided an expense report to show amounts needed for each activity. We are meeting today to go over the expenses and determine if District 10 can provide financial help to Louisiana for the upcoming NABC. See Page 2 attached for a copy of the Expense report provided by the NABC Tournament Coordinator.

DISTRICT 10
MID SOUTH BRIDGE CONFERENCE
Executive Committee MEETING
March 3, 2022

There was much discussion by the Executive Committee Members. Everyone agreed that District 10 will recommend donating \$20,000 to Louisiana Bridge Association provided LBA contributes \$10,000 for Expenses incurred in conducting the 2023 NABC. The district will expect LBA to return any part of the \$20,000 that is not used by them in conducting the Tournament. This recommendation will be made at the next District 10 meeting in April for the full board to vote on.

Larry is going to get someone with a legal background to prepare a contract for LBA to sign regarding returning any portion of the \$20,000 that is not used for the NABC in 2023.

We have a Face-to-Face Royal STAC coming up that can be used to raise money for New Orleans. We also will have 2 more Face to Face STACs and 3 more Face to Face fundraiser games. We could raise at least \$7000 through STACS and Fundraiser games. Larry will check on having a Virtual Fundraiser game, but he expects push back from the Managers. This will be discussed further at the district 10 meeting in April.

The meeting was adjourned at 5:30 pm.

Respectfully submitted,
Judy Knox, Secretary District 10
