

I started playing bridge when I was 18. My parents and grandparents played bridge. I have been a member of the Louisiana Bridge Association since 1974. I was recording secretary off and on for 13 years. I was elected unit representative to the district. A few years later I was elected Vice-President then President, a position I held for 4 years. I have co-chaired 2 sectional tournaments at our club. I have also been on the by-law revision committee for both our unit and the district. I am currently serving on the election committee and am the standby person for board making. In 2021 I was honored to receive one of the Goodwill committee pins.
