

Fredye Alford reaches Life Master

What a fun day we had honoring Fredye Alford's achievement in reaching Life Master! We celebrated on November 14, 2025, but she made Life Master playing with Suzanne Smith in October. We had a good turnout with 6 tables! We enjoyed our guests, Nancy Green, Peggy Singer, and Joanna Jewett. We do hope you will return soon to play with us!

Thank you to Suzanne and Linda for the planning and decorations and to Jerrell for the horseshoes. Snacks, drinks, and desserts were provided by almost the entire membership. We all toasted Fredye with Sonic cups, filled with Sonic ice, and lime diet coke.
