Evaluate your hand: 5 HCP, 2 singletons worth 2 each when the bidding started, after partner raised spades, add 1 more point for the singletons. (5 pts.) You have 6 spades as opposed to 4 or 5, add 2 points for spade length, hand's worth 12 points, BID GAME .

Same hand, different auction, Partner bids 1 Heart, Opponent passes, you Bid 1 Spade, Opponent bids 2 diamonds, partner bids 2 hearts, opponent bids 3 diamonds, you PASS, if opponent passed, you would still PASS. Spade values are worthless, auction got ugly.
