About Adobe's Charitable Giving

- ❖ Adobe will give the designated Charity table fee surcharge funds to local charities each year. The allocation will be determined by the Board of Directors on at least a yearly basis. Members will be asked to nominate charities for consideration.
- ❖ **Criteria for selection will be as follows:**
 - ✓ The Charity's funding is developed and spent in the greater Tucson area, giving back to our community.
 - ✓ The Charity is nominated by Adobe member(s) in writing or by the Adobe Board of Directors.
- ❖ In order to maximize impact, our goal is to select no more than three (3) Charities each year.
