

## ADOBE BRIDGE CLUB BOARD CANDIDATES 2023

**Cayce Blanchard:** My husband and I relocated to Tucson after I retired as SVP of Corporate Communications at Mitsubishi Electric in Southern CA. I have played duplicate bridge since 2001 in Long Beach, stopping in 2011 when work got in the way! Very happy to find all of you at Adobe when we moved here in 2019. It's a great game on so many levels. I appreciate all the Board and game directors do at Adobe to make it a fun and pleasant way to spend an afternoon. I'm happy to give back/support the Club as a board member with my communications and public relations experience. *Cayce*

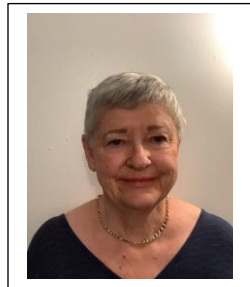

**John Farbarik:** I, John Farbarik, am interested in serving on the Board. I have no bridge administration experience and very little bridge playing experience giving me a different perspective. I am willing to look foolish by asking questions and requesting collaboration and patience. This approach leads to opportunities that had not previously been considered. This was my experience during my career at Oscar Mayer Foods, The Quaker Oats Company, Starbucks Coffee Company and Foster Poultry Farms. Some of my other volunteer experiences like running the 501(c)(3) organization Southern Arizona Junior Golf Association may also be helpful. I would appreciate your vote. Thanks.

**Anita Froehlich:** I have been playing for 6 years (3-5 times/wk), and support all Tucson clubs plus *all* local tournaments (and an occasional out-of-town Regional/NABC).

- My 1st goal as Board Member is to work on encouraging ALL players in the Tucson area to feel welcomed to play at Adobe.
- My 2nd goal is to offer a variety of events besides standard club games.
- My 3rd goal is to bring back in-person Board mtgs, so that members can address the Board in person – Zoom if you want

**Patricia Klein** - It has been my pleasure to serve on the Adobe Bridge Club Board for the past two years, and I'm pleased to say I will be a candidate for this year's election in November. I enjoy being at the Bridge table, bringing member concerns to the Board and providing information on Club events to players.

**Pam Krisak:** Eight years ago, I found Adobe Bridge Club through neighbors and was pleased to find limited point games and classes available for a newer player. I served the Adobe board as the NLM Rep and was elected to the board in 2021. I hope to continue my service to Adobe players by continuing to foster a sense of community, supporting education, and supporting the long-term future of Adobe. I volunteer with other community organizations including United way VITA and hold a master's degree in MIS.

**Tina Mendenhall:** I enjoy networking and I would like to help Adobe grow and thrive.

I have loved playing bridge since I was eight years old. For 15 years I have considered Adobe Bridge my second family. My philosophy is that charity begins at home.

I would like to help raise funds to promote the general welfare of the club family. For example, some of these funds could be spent to have the highest quality coffees, teas, and snacks. Please vote for me and join me in this endeavor.

**Penny Storry:** I'm newly arrived as a full-time Tucson resident & have been playing @ adobe on & off for the last year. While I've not served on a bridge club board I have served on the board of a philanthropic organization for about 5 years.

I am now retired but was an IT consultant for 20 years prior to being a full-time Mum and most recently I was the postmaster for a small village post office on the Oregon coast.

I have been playing duplicate bridge for 7 years & would like to give back to Adobe and the game of Duplicate Bridge.
