Schedule Changes October 2023

LP Center Closed Wednesday, October 11

- **Wednesday December 13, at 1:30 pm is the Bridge and Christmas Party at Woodside Country Club. Reservations will begin on November 6th.**
- **Lessie Price has requested we vacate their facility by 4:30 pm. The game can't be set-up until we know the number of tables. It is very important that every-one arrive by 12:50 so play will start before 1:00 pm. The use of the clock will now have to be enforced to keep play moving along. We will need all members to support the director with these changes so everyone can have an enjoyable day at the bridge table.**
- **Check your emails on game days to make sure there aren't changes to the schedule.**
