

OCTOBER 2018

NO NEWSLETTER

OCTOBER SCHEDULE

October is Jane Johnson Club Appreciation Game Month in ACBL Land. These games award substantial extra masterpoints with no additional cost to the club. Participating clubs are allowed to hold one pair game and one team game for each sanctioned session. Since this is the closest thing to a free lunch offered by the ACBL, we will be gluttons and hold all six that we are allowed.

This means that October will be **Team Game Month**. That's right; we will have three team games this month, each one a little bit different than the others.

Friday, October 12th – Perfect Ten Handicapped Swiss Teams – same thing we do every month on the second Friday.

Monday, October 22nd – Open Handicapped Swiss Teams – Put together any team you want. However, we will use the same handicap structure that we use in Perfect 10 (1 IMP per difference in Perfect 10 team totals). Second however, the handicap will be limited to 9 IMPs. Why, well, gotta give the A players some chance, and, besides, if ten is perfect, then nine must be fine.

Wednesday, October 31st – Halloween Handicapped PRO – AM Swiss Teams – **This is one scary event.** Sign up as a pair. Top half, based on total masterpoints are Pros. Bottom half, Ams. Pairs will be matched randomly on day of the game to form teams.

Special Card Fee for this game is \$1.00. However, if you come in drag a viable costume (determined by Pat B and Ron at their sole discretion) you will play free.

Also three Charity Games and an Inter Club Championship on Wednesday, October 17th.

WHY NO NEWSLETTER

Well, kind of busy with this Sectional thing. Don't have much to say for a change. Also, there is a Board Meeting on October 10th @ 11:30 (you are all welcome, of course) when we will discuss the financial results of our tournament and finalize the plans for this year's Holiday Party. They are not unrelated. This information needs to be communicated to you prior to November 1st, so the next newsletter will be issued sometime mid October.

The things you need to know (to be determined at the Board Meeting) are Holiday Party guest fees, plays needed to not be a guest, sign up procedures and deadlines for signing up.

So, please give me a pass on this No Newsletter.

Game Schedule - October 2018
