

## The Amelia Island Duplicate Bridge Club Virtual Session

1<sup>ST</sup>.. Use your favorite browser to go to <http://www.bridgebase.com>

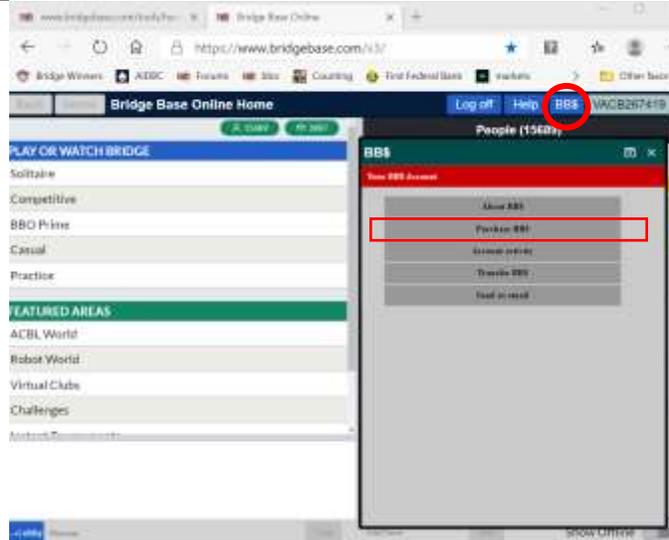

Then sign In by using your username and password as shown on the right for the name I use to run our AIDBC online games.

If you don't have a BBO nickname, clic the Become a member (free) line. Fill in the questions, and be sure to add your ACBL Number.

2<sup>nd</sup>. You may need to add money to your BBO Account so you can pay your entry fee into the tournament (Set at Five Dollars).

To see your BB\$ amount click the blue BB\$ button on the upper right of the screen that I have drawn a RED CIRCLE Around. A new window pops open, with five options. The important one is "Purchase BB\$" so you can choose how much to purchase. You can also transfer some or all of your BB\$ to someone else (by their BBO nickname) if you want to. I've highlighted the purchase BB\$ with a red Box.

3<sup>rd</sup> To find the Amelia Island session click on the Competitive Link, currently highlighted with a light blue color immediately below the "PLAY OR WATCH BRIDGE" area.

4<sup>th</sup> After you click the "Competitive" link, a new list of options show up. Ignore the "ACBL Masterpoint Tournaments" at the top... That is a red herring.

Click the "ACBL Virtual Clubs" highlighted with the light blue background to the right.

This is where you will find our Virtual Amelia Island club (but only within 2 hours of the start of our Club game). All the virtual clubs about to start their game will percolate to the top (close to starting closer to the top).

| vacb274290 | Pairs BRIDGE ON SHEA eve pairs #6963 | Pairs | 76    | 0       | 7 BB\$    |

Here you will see Pairs "Amelia Island" and the "Start" column tell you how long until the starts, Entries show how many pairs have signed up, and the Entry fee shows you how much (1 US Dollar = 1 BB\$). Click on the word Amelia in the title to register

When you click on our listed tournament, you will see a registration box similar to the one to right, with 5 BB\$ (instead of 8) and the time will be how minutes before our game starts. This is a pair event, so type your partner's BBO nickname into the box, and press the invite button. If you are willing to pay for your partner, check the indicated box, if not they pay for themselves.
