Notes:

1. Announce for all Howells that players should “Check you are at the correct table, seated in the correct direction with the correct boards and correct opponents”.
2. Announce for all Hesitation Mitchells at the start of the last round “If you have been a stationary North/South, Arrow-switch the boards for the last round. There is no arrow-switch at the Hesitation table(s)”.
3. Rover movements are available to add one or two pairs to movements for 4 to 9 tables (No uplift as yet for 10 tables).
4. An alternative movement using and playing 24 boards may be a 10 table Web Mitchell – for further study.
