Horatio's Garden

Nurturing lives after spinal injury

Dear John,

It was so good of you to help the Horatio's Garden Stoke Mandeville fundraising group arrange the brilliant Bridge Day which raised a wonderful total of £830 for Horatio's Garden Stoke Mandeville – it's so good of you to support our work.

Your generosity enables Horatio's Garden Stoke Mandeville to be a place of calm, enjoyment and connection for people whose lives have been suddenly changed by spinal injury.

Whether that's enjoying nature away from the ward, taking in the sunset, learning a gardening skill or getting involved making pizzas with friends – the simplest things can make a huge difference when you're in hospital for months.

As a patient said, "Horatio's Garden really does make me feel truly grateful every time I visit. It is a place where I feel nurtured ."

We're so grateful for your support.

With very many thanks and best wishes,

Olivia
