Ayrshire Cup

Teams of four knockout. The closing date for entries is end of October with the draw being made in early November.

Once the draw is made, the captain in each team organise a date and venue for the match. Matches can be played at the venue of the "home" team's choice or online.

As you can see from the list below, this competition has been running since 1935 in Ayrshire and is the only one like it in Scotland.
