

Ian Stewart Cup

Ian Stewart, President of ABU 1980-82. One of the members responsible for acquiring the ABU premises, and 'persuading' the clubs in the district to buy the property.

Ian introduced the trophy for the best Ayrshire performance(s) by a person/pair/team in National Competitions in that year's calendar

The National Convenor has to identify to a select committee the nominees in May --- Committee is usually President, Vice-President, and National Convenor, if not included in nominees.
