

## Kenny Mackay Trophy

A District Wide Simultaneous Pairs charity competition held in May in aid of the Ayrshire Hospice

A cheque for the amount raised is presented to the Hospice at the Chairman v. Vice-Chairman's match in September.

Kenny Mackay and his wife Margaret were both very keen players in Ayrshire. Kenny in particular served for some years on the Ayrshire Council and was a prominent member of Caledonian Bridge club in Ayr. He was also a member of Ayr Bridge club. Bridge was never dull with Kenny in attendance! Kenny was nursed in the Hospice; when the cancer claimed him, his wife Margaret dedicated the Hospice Cup to his memory (*JT*).

In September 2010: Dr. Gordon Erskine of the Hospice Management Council presented Stewart Duguid, ABU President, with a framed certificate marking more than £15,000 raised to date for the Hospice.
