

The Templeton Trophy

The Templeton Trophy for schools' minibridge was donated to the Ayrshire Bridge Union by Mrs. Agnes Templeton late of Midton Farm, by Kilmarnock.

Agnes was a very keen participant in bridge and played regularly in clubs and in competitions both local and national.

Some short time after minibridge teaching started in Ayrshire, Agnes was more than keen to contribute to the initiative. Hence, we now have this beautiful trophy to present to the winning school at the annual tournament.
