

A Special Online Bridge Lesson Series  
with Zach Grossack and Kim Gilman

## Declare These Hands with Us!

Play hands during class with immediate feedback

Tuesdays, 3:00-5:00 PM, July 7, 14, 21

Multi-time national champion Zach Grossack is known as one of the best declarers in the bridge world. Would you like to know how he plans his strategy for making 90% of his contracts...with overtricks?

Zach & Kim will use a special BBO tournament option to conduct a “Learning Game.” You’ll hear Zach present useful bridge techniques on Zoom, **then you will play hands to practice the lesson.** Between rounds, Zach will comment on how he would form a plan for the play. You’ll have a chance to ask questions, and receive his write-ups after class.

Cost for all three will be \$45 paid in advance, plus \$5 on BBO for each game. Partners are needed for the Learning Games; you can bring your own, or find one at the Partnership Desk. We guarantee a partner! These lessons are best for intermediate players & up.

Hosted by the [Westwood Duplicate Bridge Club](#)
