The *Westwood Bridge Club*
presents
the WESTWOOD MENTORING PROGRAM

Program overview: The purpose of the Bridge Mentoring Program is to mentor aspiring bridge players by guiding their growth in all aspects of the game.

Program Guidelines:
- Any player is eligible to be mentored.
- Mentors and mentees should be available to play together at least twice a month.
- Point differential should be about 10-fold between mentor and mentee.
- The mentor program is intended for new partnerships only.
- Mentees are limited to one mentor at a time. Mentors can mentor more than one mentee at a time. A player may be both a mentor and a mentee.
- All participants may choose their own mentor/mentee with approval of the Mentoring Chair. Otherwise we'll match you with a suitable mentor / mentee.
- The mentee pays half of the mentor entry fee, the club covers the other half.
