Dear Mr. Marsh

Re: Donation from Bedfordshire Bridge Association

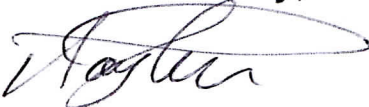

Thank you for the very generous and kind donation in the sum of £755.00.

Sight Concern Bedfordshire aims to enhance the independence and quality of life of blind and visually impaired people living in Bedfordshire and Luton.

We rely on donations, legacies, gifts from Trusts and Foundations to enable us to continue with this essential work.

By donating to us you are helping to achieve that important aim for local people. Your support and assistance is greatly appreciated.

Yours sincerely,

Alison Taylor
Office Manager
