Congratulations to Team 10 winners of the Coupland Trophy 2018 with a really good “straight” score and no help from the handicap setter whatsoever!

Handicapping was based on NGS percentages with a range of +60 IMPS for those teams with 42% average to nil with 50% to -60 IMPS for those with 58% and equal blocks of 7.5 IMPS in between

The other thing that is noticeable is the range in IMPs scored – 137 (+69 to – 58) - over 22 boards
