

BRIDGE FOR IMPROVERS

We would like to gauge the interest from members in running a series of online supervised-play bridge sessions. These sessions will be aimed at newer or less experienced players or players that feel that they have missed out on getting the right fundamentals. If you are tired of finishing in the bottom half of the field this may be for you.

The supervised play sessions will provide a relaxed atmosphere for players to improve their bridge. The session will start with a mini lesson on a specific topic followed by a session of play using set hands that will include examples that highlight the topic discussed. Advice will be provided during the play session if needed.

Ideally, you will join in with your usual bridge partner.

Below is a list of the topics that we could cover before Christmas:

- Fit and game in a major
- When to open a suit - shape, position, rule of 20
- Leads against suits
- Responses to 1NT
- Leads against No Trumps
- Stayman
- Transfers

If you have a topic that you would like covered, please let Alison know:

- Below is a list of topics that could be added:
- Planning to make your contract - winners and losers
- Reverses
- Strong openings - 2C and 2D
- Developing tricks - Finessing and cross ruffing
- Blackwood
- Weak twos
- Overcalls
- Doubles - Takeout
- Doubles - Negative
- Preempts
- Slams
- Signals
- Competing for contracts
- Playing in a minor suit

When: Online on Thursday from 7:00pm commencing Thursday Nov 4th. Lessons start at 7:00, supervised play commences at 7:30pm.

Who: Alison & Martin will be conducting the sessions.

How: Zoom video conference for the lesson (about 20 mins) followed by online play using RealBridge. You will need a computer and internet connection that will support Zoom and RealBridge.
You can attend the lesson, supervised play or both.

Cost: \$4 per session (payment options as for Tuesday night).

Register: Please register your interest by emailing bridge@simsfamily.id.au

Want more Info: Call Alison on 6424-3100 after 6pm or email bridge@simsfamily.id.au
