Preamble

Bendigo Bridge Club (BBC, or “the Club”) is registered with Consumer Affairs Victoria as Bendigo Bridge Club Incorporated, Organisation No. A0005397Z.

The management of BBC is the responsibility of the Bendigo Bridge Club Committee (BBCC, or “the Committee”).

The Committee exercises its powers under the auspices of the Club’s Constitution (CC) - also known as the ‘Rules of Association’ (RoA). The Club’s Constitution is based on the Victorian Government’s Model Rules for Incorporated Associations.

The purpose of these Policies and Procedures is to assist in the smooth and consistent running of the Club. They:

- Support, interpret, explain, and underpin (and sometimes reiterate) the Club’s Constitution.
- Set out the Club’s policy and procedures on a range of additional matters; and
- Include procedures suggested by the Victorian Bridge Association (VBA) and Australian Bridge Federation (ABF) as useful in the running of a Bridge Club.

These Policies and Procedures are prepared and approved by the Committee in accordance with the requirements of the Club Constitution (CC42(1)).

Changes to these Policies and Procedures may be made and implemented without notice if judged by the Committee to be essential or critical to the purposes of the Club. Any changes will be notified to all members within 14 days of their adoption by the Committee.

If there is any discrepancy between this document and the Model Rules, then the relevant provisions of the Model Rules apply.

As there is no obvious logical narrative sequence to the topics canvassed in this document, topics are listed alphabetically.

BBCC – Bendigo Bridge Club Committee

BV – Bridge Victoria

Policies & Procedures

Almoner

The Almoner is a voluntary, non-executive position, appointed by the Committee. The Almoner is responsible for implementing the Club's policies regarding Bereavements, illnesses etc.

Annual General Meeting

From the Club Constitution...

The Annual General Meeting (AGM) is held in August each year in accordance with CC30.

The following items must be included in the Agenda for the AGM, but not all need to be shown on the Notice of Meeting.

- The incumbent President (or the Vice-President if the President is not present) declares the AGM open and advises those in attendance that he/she will Chair the meeting, pending the upcoming elections.
- The Chair must establish that a Quorum is present. A quorum is 10% of the membership entitled to vote. Valid proxies can be included (CC36).
- The Secretary must list the names of all members present so that attendance can be recorded (CC41(3)(a)). Apologies must be noted and proxies verified.
- The minutes of the previous AGM must be confirmed. Only members who were present at that meeting are entitled to vote (CC38(3)).
- Reports from the President, the Treasurer and the Club Director are to be received and considered (CC30(4)(b))
- The amounts of the annual subscription and the dates for payment must be decided by the meeting (CC12)
- Only business for which proper notice has been given may be discussed (CC30(5))
- The number of ordinary members of the Committee must be decided by resolution of the AGM prior to a ballot (CC53). The Committee should make a recommendation.
- The President must advise the meeting that, in accordance with CC51-54 (CC30(4)(c) and 50), elections will now be held to appoint a new Committee, then declare all positions vacant.
- The President then vacates the chair, and a suitable responsible member of long-standing is appointed to Chair the meeting until a new President (or if no President, a new Vice-President) is elected, whereupon that person takes the Chair.
- The election of Ordinary Members is conducted in two ballots. The first ballot is to elect the Ordinary Committee Member prepared to take on the delegated role of Club Director. The second ballot is to elect the remaining Ordinary Committee Members.
- Voting at AGM
 - All members who are entitled to vote, including proxies, have one vote, except re confirmation of the minutes. (See above.) To be entitled to vote a member must not be suspended and must have been a member for more than ten (10) business days. Only paid-

up members may vote (CC38, 13(2) and 12(4)). An Associate member must not vote (CC14(2)).

- A majority by show of hands is all that is required for motions to be passed other than special resolutions when three quarters of those present including valid proxies is necessary (CC39)
- Voting for Committee members where there is more than one candidate for the position is by secret ballot (CC54)
- The President has a second or casting vote if votes are equally divided (CC38(2))
- The President must become familiar with meeting procedures and not allow motions from the floor at AGMs regarding matters for which proper notice has not been given. Nor should the President allow amendments which are not appropriate. Correct procedure allows the mover to speak first to the motion, then alternatively speakers for and against may speak with the mover having the final say (right of reply) after which the motion should then be put to a vote without any further discussion.
- Once the vote has been taken the President should say “carried,” “lost”, “carried unanimously” or “carried by a particular majority” depending on the circumstances. An entry made in the minutes is conclusive proof of that result (CC40)
- For a poll where votes are cast in writing following a demand by three (3) or more members, the President must declare the result of the resolution based on the poll (CC40(3)(b))
- The President must have all proxy forms in hand before the commencement of the meeting (CC34(6))

Appeals (Director’s Rulings)

- A player or the captain of a team may appeal for a review of any rulings made at his or her table or post-session by the Director.
- Any appeal must be made within three (3) days of the detailed¹ results (or in the case of a post-session change, the amended results) being published on the Club website.
- If unresolved at that time, appeals must be made in writing (email) to the Tournament Director cc’d to the Club Director.

See also Correction

¹ For regular Club sessions, detailed results (contract, declarer, tricks made, score, lead card) for all boards played are usually published immediately after the session. Sometimes there may be a brief delay (less than a day) if the Director has scoring anomalies to resolve. But for simultaneous events (e.g. Australia-wide Open Pairs or Nationwide Pairs), the publication of detailed results data may be delayed for up to five (5) days after the event.

Asset Register

- The Treasurer must maintain a list of the Club's assets and ensure that it is updated and presented to the Committee at the penultimate meeting before the AGM.
- On 26/10/2020 the Committee determined that the Club will self-insure its assets. However, the Treasurer must advise the Committee if the Treasurer feels this policy is no longer appropriate.

Associate member (CC14)

This category of membership is reserved for members under 15 years of age. It will be enacted if a person of that age applies for membership.

Awards

Trophies and awards are presented in December at the Christmas Social function. They are based on the results for the Awards Year (see [Year](#)).

The Secretary must ensure that perpetual trophies are collected and engraved as appropriate.

For details, see [Appendix B. Awards](#)

Bereavements, illnesses etc.

In the event of illness of members, cards or flowers may be sent on behalf of the Club at the discretion of the Almoner.

On the death of a member a notice may be placed in the Bendigo Advertiser.

On the death of a spouse, partner or child of a member, a card may be sent to the member.

Where possible, the President or a member representing the Club will attend the funeral of a member or a member's close relative on behalf of the Club.

We have additional guidelines for the protocols to be followed by members and visitors when at the club. These are set out in the Club's 'Code of Good Conduct' document (the Code).

Members are asked to read and familiarise themselves with the Code. When playing at the club, all members and visitors are required to conduct themselves in compliance with the Code.

A link to the latest version of the Code of Good Conduct can be found on the Home page of the club's website. Members or visitors unable to access the Code via the website should contact the Secretary, who will supply a printed copy.

(CC65)

Compscore3

Altosoft's Compscore3 is the scoring software used by Bendigo Bridge Club.

Conditions of Play

2017 Laws of Duplicate Bridge Law 78D recommends that clubs should draw up a "Conditions of Contest" document.

The Match Sub-committee has drawn up a document (BBC Club Pairs - Conditions of Play) to govern the club's regular Club Pairs events.

When special events are scheduled, e.g. Club Championship Pairs or Teams events, these Conditions of Play will be supplemented by, and in some cases superseded by, event-specific Conditions of Play documents.

Constitution

Also known as Rules of Association

The Club adopted Consumer Affairs Victoria's (CAV's) Model Rules for its Constitution in 2018.

CAV, by Regulation, subsequently updated the Model Rules in 2023.

A link to an up-to-date copy of the Constitution is provided on the 'Useful Links' page in the Club's website.

Corrections (Scoring)

Members should note that the result entered into the Bridgемate, at the table and accepted as accurate by an opposing player at the table, is the official record of the result. It follows that players must enter scores carefully, and opponents must check the result conscientiously before accepting them.

Any suspected errors in playing results and requests for corrections should be notified to the Session Director as soon as possible, either at the session, or afterwards preferably by email addressed to the Session Director (cc Club Director). Correction requests must be made within three (3) days of the detailed² results (or in the case of a post-session change, the amended results) being published on the Club website.

Errors reported at the session will be corrected if the director is satisfied that at least one player from both pairs agrees that correction should be made.

Errors reported after the session will only be corrected if the person requesting the change has the agreement of at least one of their opponents that correction should be made. The onus is on the player making the request (not the director) to obtain that agreement.

Corrections requested after the start of the following session (i.e. a week later) will only be considered if they meet the 2017 Laws concerning exceptional circumstances.

Dealing

The Club Director is responsible for ensuring that sets (cases) of pre-dealt hands are available for play at all matchpointed sessions (and, when required, for Beginner's Courses, etc). Each set to be accompanied by n copies of a printed hand record; 'n' to be determined in relation to the average number of players that attend the session).

The Club Director has a panel of experienced players willing to do the dealing. Dealing is conducted on a weekly basis – usually on a Monday morning, in the Lego Room at LGCC - using a Dealer4 dealing machine.

² For regular Club sessions, detailed results (contract, declarer, tricks made, score, lead card) for all boards played are usually published immediately after the session. Sometimes there may be a brief delay (less than a day) if the Director has scoring anomalies to resolve. But for simultaneous events (e.g. Australia-wide Open Pairs or Nationwide Pairs), the publication of detailed results data may be delayed for up to five (5) days after the event.

The Club Director also ensures that appropriate deal files – used to drive the dealing machine - are available³. The club uses Dealmaster Pro software to generate the deal files and the printed hand record files.

The Committee appoints the Chair of the ESC. The ESC is responsible for setting its own budget, subject to the approval of the Committee.

The annual membership fee is determined at the AGM. The amount of the current annual membership fee is published in the 'About Us' page on the Club website.

Joining fee (CC12(3))

The Club does not have a "joining fee" in the sense of a fee accompanying an application for membership.

³ Contrary to popular belief, deal files for club sessions are randomly generated. Deal files for externally organised simultaneous events may be curated by the event organiser.

Table fee (Table money)

For masterpointed sessions, the Club charges players a table fee. Current table fee amounts are published in the 'About Us' page on the Club website.

Financial year

The Club's financial year runs from 1 July to 30 June (CC3).

See under "Year" for other dates e.g. Membership year.

How Members can Contribute to the Club

Our office bearers are elected at the AGM. Members can nominate for any position if you wish.

We also have a number of non-elected positions – see **Positions within BBC**

These non-elected positions are less formally allocated. Some, (like Session Director) require particular training and expertise. Others are done by the same person until they ask to be relieved, and then we either ask for a volunteer, or appoint someone who has already shown interest in taking that responsibility. Talk to the incumbent, or to a committee member.

Members can also help as:

- Mentors for new players – partnering them in supervised play, etc.
- Tutorial presenters – we occasionally run tutorials and mini-lessons that cover a variety of topics. If you have an idea for a topic you would like to present, please speak to the Chair of the Education Sub-committee.
- Helpers at promotional sessions, e.g. "come and try" days.
- Card dealers

Also see Appendix C: Venue information, for the duties associated with our venue(s).

Illness

See [Bereavements, illnesses etc.](#)

Library (Harold Chatfield Memorial Library)

The Club has a Library which is maintained by a member appointed to function as Librarian by the Education Sub-committee. All books and videos must be signed out by the Librarian or a Committee Member, and all borrowings must be returned to the Librarian or a Committee Member by the borrower and not passed on to another member.

The Club acknowledges the generous donation made by the late Harold Chatfield, which is being used to fund the purchase of books and other resources for the library.

Life membership

This category of membership has been discontinued.

Masterpoints

Australian bridge players are ranked according to their ABF Masterpoints. (Click on the link to the ABF Masterpoints website, which can be found in Useful Links page in our website.)

The Club awards masterpoints as follows:

- Supervised or Mentored Pairs sessions: F grade masterpoints
- Regular Club Pairs sessions:

The Masterpoint Secretary will normally be a member of the Match Subcommittee, but the position is independent and is not supervised by the Chair of the Match Sub-committee (the Club Director).

Match Sub-committee.

The Club Director chairs this subcommittee. It is tasked with advising and assisting the Club Director in the performance of his or her duties.

The Sub-committee will comprise members co-opted for technical expertise in session organisation, directing, movement setting, our card dealing processes and our computer systems.

Membership (CC7-11)

Any person may apply for membership of the association, by completing an application form and presenting it to a committee member (CC9). The applicant must

- support the purposes of the Association
- Agree to comply with the Rules of Association
- Sign the application form

All applications must be sponsored by a financial club member who is prepared to vouch for the good character of the applicant.

All applications must be vetted and approved by the Committee. The Secretary will notify the applicant of the committee's decision as soon as practicable (CC10).

Minute Taker

The Minute Taker acts as assistant to the Secretary, with responsibility for taking the minutes at Committee Meetings and the AGM and circulating a draft version of the minutes to the Secretary and other Committee members. At the Secretary's behest, the Minute Taker may also issue the final version of the minutes to the Committee (for ratification at the next Committee meeting) but responsibility for the content of the minutes, and for ensuring that the minutes are issued, remains with the Secretary.

The Minute Taker must be one of the Ordinary Members of the Committee. It is a voluntary role, assigned by the Committee to one of the Ordinary Members with their consent. (A Secretary may choose not to have a Minute Taker assist them; in which case the role can be left vacant.)

Novice Players

For the purpose of Club events, a novice player is one who has fifty masterpoints or less (consistent with the Australia-Wide Novice Pairs criterion), on the relevant date.

A pair or team is determined to have novice status only if ALL members have novice status.

However, for the purposes of our Annual Novice Player Award, a player must have only two masterpoints or less at the beginning of a trophy period. (They may have fifty masterpoints or more by the end of the trophy period.)

The Club does not sponsor attendance at external competitions. Approved administrative and educational expenses will be reimbursed on presentation of receipts.

Sub-committees & Working Parties

The BBCC can delegate its responsibilities to sub-committees and working parties to make investigations, return recommendations and formulate action plans on its behalf. Sub-committees are standing bodies with general responsibility for their field. Working Parties are ad-hoc or periodic groups formed for a specific task or purpose.

- Each sub-committee or working party must have at least one member who is also a committee member.
- Sub-committees and working parties cannot make binding commitments or take action on behalf of BBC or the Committee without the express consent of the Committee or at its direction. Otherwise, they may only make recommendations to the BBC Committee.

Sub-committees:

- Match Sub-committee (MSC): Chaired by the Club Director
- Premises Sub-committee: Currently in recess.
- Education Sub-committee (ESC): Chair appointed by the Committee.

Working Parties:

- Congress Working Party

Substitutions in Club Events

Substitutions for individuals in Pairs or Teams multi-session events is allowed if:

- The person being substituted is unable to attend the event and
- The substitute is eligible to enter the competition.
- The substitute is of equal or lower ranking than the person substituted. When deciding if a rank is equivalent, “*” is not considered, i.e. an ABF Rank of “State” is equivalent to an ABF rank of “*State”, similarly all variants of “Local”, “Regional” and “National” ranks are equivalent.

Tournament Director

The terms Session Director and Tournament Director are occasionally used interchangeably but, in the Club context, the Tournament Director will be the Director (normally, the Club Director) with overall responsibility for organising a multi-session or other special event where special Conditions of Play will apply.

Visitors

Visitors (and intending new members) may play five Club Pairs sessions⁴ without paying an Annual Subscription. If a longer period is intended, then an Annual Subscription should be paid.

The cap on sessions may be extended or waived at the discretion of the Committee, e.g. where the visitor is holidaying in the region and wishes to play a few extra sessions before leaving, or where a prospective member starts to play shortly before the end of the Membership Year. (See [Year](#))

Webmaster

Our website (see [Website](#)) is the on-line 'shop window' for the Club. As such, it is important that the Committee controls (and takes responsibility for) the material that appears on the website. To that end, the Committee will appoint persons to act as official webmaster(s), with authority to update the website.

Two members of the Committee – the Secretary and the Club Director - should have webmaster authority. The Committee may appoint other persons as webmasters at their discretion.

⁴ Excludes special events with entry restrictions.

Appendix D: Seeding Club Championship and Special Events

The Club requires seeding for all Championship events and some Special Events

Club Champion Pairs events are conducted as walk-up eclectic events so that club member or casual visitors will not be denied entry. Because of that seeding over multiple weeks is often difficult and may be subjective.

Entry for Club Teams events is more restrictive in that walk-up entries will only be permitted if they can form part of a team. Club Teams events should be organised in such a way that, over the n weeks of contest, every team plays every other team⁷, so strictly speaking seeding is unnecessary.

Restrictions are also placed on entry for our Club GNOT heats (Gold point events that require a minimum of 5 boards per round to be played) in that an entry must not create a half table. Thus, the last pair to book an entry, or a walk-up pair, may be denied entry if a matching pair cannot be found. Seeding is recommended for these events, as, although they take place over several weeks, each week is a discrete event, so the Tournament Director should attempt to 'even up' the NS and EW fields.

Where seeding is required, the following method is recommended as best promoting a fair and balanced competition⁸.

Week 1: The NS and EW fields are seeded to even up, as far as is practical, the number of stronger pairs sitting in each direction. This is achieved by first ranking all entries by their aggregated masterpoints, then allocating each pair to one or other field on the ABBA⁹ principle.

Week 2; The top 25% and the bottom 25% of each of the NS and EW fields from the Week 1 will be seeded to sit in Field A, with the remainder of the entrants being seated in Field B. The Tournament Director then decides which Field will sit NS and which EW.

Week 3; The top 50% of each of the NS and EW field will be seeded to sit in Field A, with the remainder of the entrants being seated in Field B. The Tournament Director then decides which Field will sit NS and which EW.

If the number of entries is too large to be run as a single 'section' and needs to be split, for the final week, one section will comprise the highest placed pairs in the field and will be the Championship Event. The remainder of the field will compete in a separate section for masterpoints only and will be ineligible for the Club Championship Award.

⁷ Unless a Swiss Tournament format is being used, in which case Swiss seeding rules will be applied.

⁸ The Tournament Director may decide to use an alternative seeding method provided that the method is a) described in the Conditions of Play, and b) can be demonstrated to be 'fair and balanced'.

⁹ Using ABBA, the top-ranking pair is allocated to field A, the next two pairs are allocated to field B, the next two to field A, and so on until all entries are allocated to a field. This method gives a more balanced distribution across the two fields than the alternative ABAB method.
