

## Resubscribe to club emails

If you have inadvertently (or deliberately) unsubscribed from receiving emails from the club website and now wish to resubscribe, please follow the instructions below. (The club cannot resubscribe you – you need to do it yourself. Fortunately, it's a relatively simple process.)

1. Click on the link below...

[http://www.bridgewebs.com/cgi-bin/bwx/bw.cgi?club=bw&pid=display\\_page35](http://www.bridgewebs.com/cgi-bin/bwx/bw.cgi?club=bw&pid=display_page35)

2. The link will take you to the Bridgewebs Re-Subscribe page.

Read what it says then enter your Email address into the box provided and click on 'Check'.

3. When the screen refreshes you should see words saying you are unsubscribed and a big 'Resubscribe' button. Click on that, enter your email address and name details in the panel provided, then click on 'Subscribe'

4. Bridgewebs will send you an email with instructions on how to complete the process.
