Manager present: Om Chokriwala

Charles Fonarow took the floor before the meeting began to stress the desire of himself and others to have hand results shown on the bridge mates.

When he left, the meeting started by approving the previous minutes. Om excused himself while we discussed options to encourage him to stay on as manager.

Om rejoined the meeting. We notified him that we had voted to ask Robert Shore to head the Conduct and Ethics committee and to ask him if he wants to select his own members.
