

BHBC Minutes for 10-1-17

Board Members present: Mike Abeles, Herb Ehrmann, Marcia Fisher, Nancy Heck, Alan Schneider, Karen Schwartz and Richard Stevenson

Manager present: Om Chokriwala

Manager's Report: Jim Perkins is no longer directing the evening games. This Monday evening Jonathan Holms will direct and Wednesday evening John Ramos will direct. Brian Richardson is retiring from directing at the end of October.

Om is declaring a Club Appreciation Week from October 16 to October 22. He would like to honor the volunteers who have been helping beginning bridge players and give free plays to board members. We might have to cancel the Thursday team game since generally there are only 3 tables. And we will consider making Tuesday or Thursday evening a 99er or 299er game.

Treasurer's Report: This September table count has slightly increased from September, 2016. The balance sheet shows an increase. We have an influx of new people from Learn Bridge in a Day and their follow up lessons, thanks to Nancy Heck.

Education Report: There will be a new Learn Bridge in a Day October 8. Om will be teaching beginner one classes with Nancy Heck's help.

Sunshine Report: Fortunately Marcia Fisher has no news.

New Business: The city is open to renovations for the club. Structurally windows won't work. The city is open to new cabinets, doors, partitions, etc.. It will likely be a long process. Marcia Fisher suggested having a bridge expert give a talk once a month just prior to an evening game.

The next meeting will be December 10 at 11a.m..

We wish you a pleasant bridge month.
