

Minutes from the BHBC board Meeting of March 10, 2019

Present: Alan Schneider, Nancy Heck, Lee Hausner, Marcia Fisher, Karen Schwartz, Dawn Lee, Susan Lava, Debbie Baker, John Ramos, Tim Deegan

The meeting was called to Order by president Alan Schneider. Tim was welcomed as a new board member following the call for new board members. Alan Schneider immediately relinquished the position of president to Tim.

The past minutes from the January meeting were approved as was the treasurer's report.

Nancy reported on the success of our educational programs which include two beginner 1 classes, 1 beginner 2 and one beginner 3. The Quick & Easy Bridge program has been a very good recruiting program for new players and students in our classes and a date and time for a new class will be explored.

John reported that our table count remains constant. It would be very helpful to have a room divider for the room where classes are held but this will need the approval from Beverly Hills Park and Recreation Department.

Since Tim was given the responsibility of running this meeting without prior notice, he requested a quick adjournment so that for the meeting next month he could prepare a comprehensive agenda.

The next meeting is scheduled for April 5th at 11:30
