

BHBC Minutes for April 30, 2017

Board Members present: Mike Abeles, Marcia Fisher, Nancy Heck, Alan Schneider, Karen Schwartz and Richard Stevenson

Manager present: Om Chokriwala

Manager's report: The charity month was a success.
A free play will be treated like a coupon from now on.
We will be starting a Tuesday evening game starting May 9.
Guidelines will be written for players who call the director.
We discussed buying new tables and chairs that need replacing.

Treasurer's report: Table count for February March of 2016 is somewhat similar to those months this year. The revenue is a little higher due to lessons and supervised play. The food bill is higher due to the additional programs.

Hospitality: Marcia Fisher will send a card to David Raphel who might be going through an amputation of toes.

Education: Another Learn Bridge in a Day will occur in June. Those who have taken advantage of our lessons over a period of many weeks will receive a free play if they opt to play in the Thursday 299er game. Also beginners will be encouraged to kibbutz a game.
We would like to plan workshops for people who have had many lessons on topics like signals, leads, conventions, etc.

Conduct and Ethics: we will ask Bob Shore to write and present the guidelines for players when they call a director.

Our next meeting is June 4 at 10:30 a.m.

We wish you a pleasant bridge month.
