Regarding table assignments, the directors will be given guidelines to eliminate conflicts. Players are encouraged to make reservations.

Membership and Education: The club will be working on having Common Games whereby we have the same hands as different clubs to compare results and get expert commentary on hands. The committee is working hard to put in motion Learn Bridge in a Day. As of now the date will be September 10, 2016. It will be followed up with 12 lessons. Name tags are ordered. We are hoping to have a printed roster with emails and phone numbers of frequent players.

Hospitality: Our unit wants to use our facilities on Sunday August 28 for a dinner at 5:30 and bridge game at 6:30 for a fair rental charge.

Conduct and Ethics: The board felt that a suspension for Sydell Aronson would be unfair at this time, so they decided to put her on probation for 2 months. She is to be given a letter stating specifics of her objectionable behavior.

New Business: Bridgemates will be adjusted to only show percentages. Use of club phone by players will be stopped.

We wish you a pleasant bridge month.
