

## BHBC Minutes for Meeting 8-14-16

Board Members present: Mike Abeles, Herb Ehrmann, Marcia Fisher, Nancy Heck, Alan Schneider, Karen Schwartz, and Richard Stevenson

Manager present: Om Chokriwala

Treasurer's report: The number of day tables this July are similar to the number last July. There were less evening tables this July. A Profit and Loss Previous Year Comparison chart is attached to these minutes on the club bulletin board.

Manager's report: Thursday evening game on August 25th will be a pairs game. There are new rules for opening a one no trump bid. See the rules posted on the club bulletin board. We hope to have more North American Pairs games. We would like to have a charity game once a month on a Tuesday. We are considering different charities. We will also institute a Most Exemplar Player award program giving a free play to the winner. Details will be worked out.

Conduct and Ethics: Mary Louise Shnier has had difficulty comprehending basic bridge concepts. Many players have complained about her lack of ability to play. The board voted to ban her from playing at our club. Allegedly Jacob Libman has been rude to his partner and noisy so he was given a two week suspension.

Education: Nancy Heck has worked diligently to make Learn Bridge in a Day a success. She has coordinated advertising and the passing out of fliers. Currently she has 23 people for the event which takes place September 10. If you would like to volunteer as a spotter, tell a board member.

Hospitality: Marcia Fisher has been sending cards to members who could use our attention and is coordinating Unit 562's game at our club on Sunday August 28. Dinner is at 5:00p.m .. The game starts at 6:00.

We wish you at pleasant bridge month.
