Treasurer's Report: The table count is increasing, the average table count went down. The count is up from last year. The financials are solid.

Manager's Report: Next year, due to very low attendance, there will be no Thursday evening game. There might be an evening game for players with few points and/or a supervised game.

There will be 2 charity games a month during the months that charity games are allowed.

Education Report: There are continuing supervised lessons for beginning bridge players. Volunteers are very helpful and needed. Please help supervise to encourage players to continue with a game that can seem very challenging.

New Business: We are researching the purchase of new tables and chairs but are waiting on the painting and room dividers work which should come first.

Election of 4 board members will be held next month. A list of candidates and a ballot box will be provided.

Next meeting will be held Sunday, February 11 at 10:30am.

Have a pleasant bridge month.
