

**Midlands No Fear
Nine-High Online Swiss Pairs
Saturday 26th March 2022
2.00 pm Start
£4.00 per pair entry fee**

End the winter by representing your County in this relaxed and enjoyable, yet competitive, Swiss Pairs event. Entries will be limited to those pairs with a combined NGS of 9 or less, so ensuring that you will only meet pairs of roughly your own ability.

This event, on 26th March, will be run on RealBridge, which, as most of us now know, gives players the opportunity of seeing and talking with their partners and opponents. There will be pair and county rankings published on the Midland Counties Congress website (<https://www.bridgewebs.com/midlandcc/>). This is an ideal opportunity to meet players outside your own county and to experience the excitement of doing so.

Worcestershire entries by email to Louise Wilson (lwilsoncmk@icloud.com), please, including names of both partners, by Monday 21st March 2021, following which your county representative will give you payment details.
