

## **Joyce Benson**

We are sad to announce the passing of Joyce Benson, who died on 3rd April 2024

Joyce was a regular member of the Scottish Women's Team. In partnership with Barbara Kay she won the Lady Milne Trophy 3 times and made it to the fringes of the Great Britain Ladies team. When Barbara moved to London and Scotland became a separate NBO Joyce formed a partnership with Michele Alexander: they represented Scotland in the 2004 Olympiad and two European Championships.

Joyce was an excellent team mate with a steady temperament and a lovely sense of humour. She will be much missed by her many friends.
