

We are sad to announce the passing of Jenny Steel.

Jenny was the widow of Eric, one of the leading players of the North District . He was a member of the SBU council for 23 years 1974-97 and was SBU president in 1984 and 1985. He was a leading Scottish director. Jenny and Eric together were stalwarts of the Northern Arts club.

Their son Les is one of the best ever Scottish players.

Jenny herself was no mean player particularly when she played with Eric; they won the Rayne and also the Bowman (life masters pairs) 2 years running.

Jenny won a number of ladies caps with Margaret Alexander. She also won the Scottish Ladies cup twice. She became a grand master in 2002 and was fiercely proud of both Eric and Les. Ill health meant she didnt play much over the last 5 years. She will be sorely missed.
