The Norman Green Trophy is an annual duplicate competition played on the second Wednesday of each month with each individual player counting their six best scores during the competition year. The total must include scores with more than one partner. Only scores achieved with club members are eligible.

Individuals whose total score is struck-out have not, as yet, fulfilled the qualifying requirement of playing with more than one partner.

A further breakdown of each player's scores is available if you click on their name.

The club's competition year commences at the beginning of September and runs to the end of August in the next year.
