The Norman Green Trophy is an annual duplicate competition played on the second Wednesday of each month with each individual player counting their six best scores during the competition year. The total must include scores with more than one partner. Only scores achieved with club members are eligible.

A further breakdown of each player's scores is available if you click on their name in the ranking.

*Scores that are struck-out are not eligible because they do not comply with all of the qualifying requirements. In the early stages of the competition this will often be because a player has, thus far, only played with one partner.*

For 2011/12 the club's competition year will commence at the beginning of September 2011 and run to the end of July 2012.

The competition year for 2012/13 will commence at the beginning of August 2012 and run to the end of June 2013.

Thereafter the club's competition year will run from 1st July to 30th June in the succeeding year.
