The Norman Green Trophy is an annual duplicate competition played on the second Wednesday of each month with each individual player counting their six best scores during the competition year. The total must include scores with more than one partner. Only scores achieved with club members are eligible.

A further breakdown of each player's scores is available if you click on their name in the ranking.

Scores that are struck-out or marked as not eligible do not comply with all of the qualifying requirements. In the early stages of the competition this will often be because a player has, thus far, only played with one partner.

The club's competition year now commences at the beginning of July and runs to the end of the following June.
