The Norman Green Trophy is an annual duplicate competition played on the second Wednesday of each month with each individual player counting their six best scores during the competition year. The total must include scores with more than one partner. Only scores achieved with club members are eligible.

information!

Scores that are struck-out are not eligible because they do not comply with all of the qualifying requirements. In the early stages of the competition this may be because a player has, thus far, only played with one partner.

The club's competition year starts on 1st July and ends the following June.
