

How to put money into your BBO account

1. Log into BBO
2. Click the blue button marked BB\$
3. Click purchase BB\$
4. We are charging \$3 (£2.54 the current rate of exchange) for each game. Each time you log in a little box will appear for a few seconds giving you your balance. This is the minimum charge allowed by BBO and should be sufficient to cover our costs.
5. You can, if you wish, pay for your partner. When registering to play there is an option to pay for your partner as well as yourself.
5. It seems that is cheaper to buy the \$s by logging on through the BBO website (<https://www.bridgebase.com/purchase/pay.php>) as suggested rather than through the APP. (the APP is an alternative way to log onto BBO and is available to download on tablets and ipads.
