

Bridge sessions are moving

The Jubilee Centre has been sold for redevelopment and, although there is a proposed new Community Centre within the new development, our Wednesday afternoon tournaments needs to move, at least the period of the new build.

As from **Wednesday 7 October 2026**, our Wednesday afternoon bridge session will therefore be held at **All Saints Church Hall in Hale Barns**.

The Bowdon Community Association (*the charity that currently runs the Jubilee Centre*) have been given the opportunity to purchase the leasehold on the proposed new Community Centre within the development and are fundraising to meet the necessary costs. **Donations** are via the link <https://gofund.me/a6b6775fb>
