Dear June, Advisory Board, Members, and Friends of the Brevard Bridge Club:

You are truly an amazing group of partners for the Bread of Life, and all your efforts are appreciated. With the increase of number of persons accessing our meals, your help is especially important now, and we cannot thank you enough. This past month you donated 214.25 pounds of food and contributed \$2,460, bringing the totals for the year to 386.25 pounds of food and \$7,010. Those are very impressive numbers!

Your commitment and enthusiasm for helping us alleviate hunger in Transylvania County is evident through your donations, and we are thankful to have you as our partners for Stack Our Shelves twice a year. We could not do what we do without the help of generous donors such as you.

We look forward to working with you again next year.

Kindly,

Paula Wesley
