## **WITH A PARTNER (Only ONE member of the partnership needs to do this)**

**Type in Your Partner's BBO Name here and click invite**

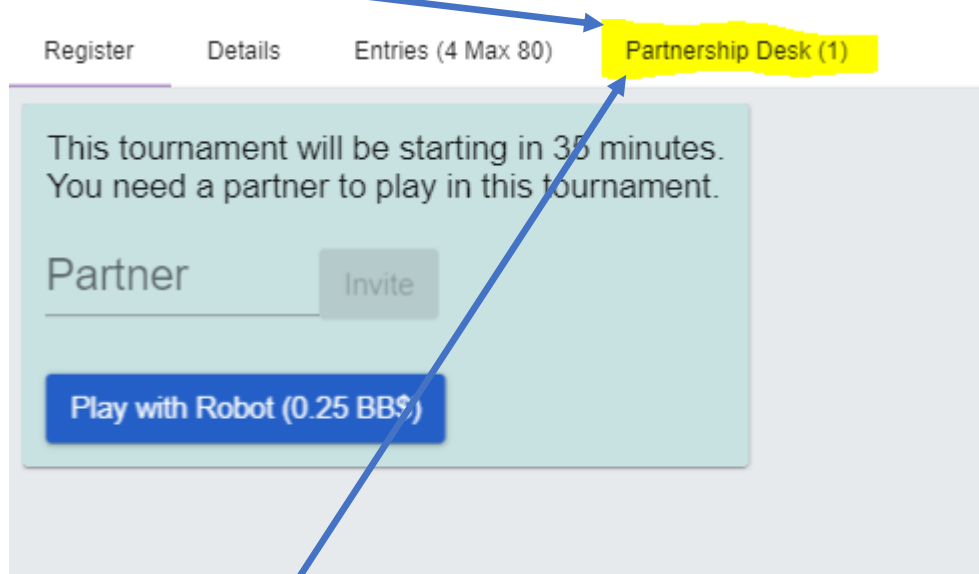

**NB If you are registering in an INDIVIDUAL EVENT YOU will not get the partner option.**

---

## **WITHOUT A PARTNER IN A PAIRS EVENT**

**You need to register at the Partnership Desk (Please note that this does not guarantee you a game).**

If you are looking for a partner for a pairs event you can register at the Partnership Desk

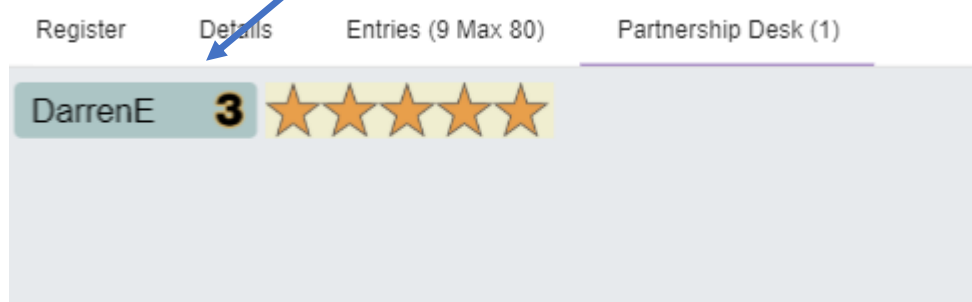

Click on 'Partnership Desk'

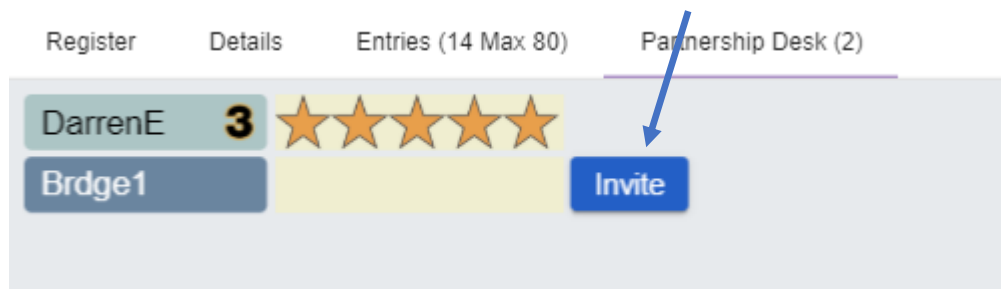

Click Add your name

Your name will appear in the list (the start indicates what BBO believes is your compatibility with other players)

To invite someone to play click on 'Invite'

- If accepted, you will both be registered, and your names will disappear from the list.
- If not accepted, you will remain in the partnership list. Sometimes people register and move away from their device, so always worth trying again. Sometimes people will just not want to play with you – tough, but such is life!
