The image shows a login interface. At the top, there are fields for 'User name' (containing 'MyID') and 'Password' (represented by a redacted string of dots). Below these are two checkboxes: 'Remember me' (which is checked) and 'Invisible'. A large red button labeled 'Log in' is centered below the checkboxes. In the bottom right corner, there is a link 'Forgot your password?'. A red arrow originates from the text in step 5 and points to the 'Remember me' checkbox.
