PURPLE PAGE CLUB – MAKING A BOOKING FOR A BOOKABLE SESSION VIA THE MEMBERS TAB

1. Click on the **MEMBERS AREA** ON OUR WEBSITE.

The screenshot shows the website's home page with a purple header. The navigation menu on the left has 'MEMBERS AREA' highlighted. The main content area features a 'PLEASE TEST BEFORE NEW SESSION STARTS' banner, a 'TERM TIME LINKS' section with a table of sessions, and a sidebar with a calendar.

PLEASE TEST BEFORE NEW SESSION STARTS

As we've been away from our regular ZOOM classes and some of you haven't been using REALBRIDGE either in recent weeks, **it is ESSENTIAL that everyone checks out their system before classes start on Tuesday 13th** September. It only takes a minute to make sure all is in order. Here are links that will enable you to do just that:

<https://zoom.us/test> This will let your computer/ipad etc update its software and check your video and audio beforehand and so will not delay you're joining the class.

<https://play.realbridge.online/camera.html> This one will let you check out your camera and audio are still operating ok for Realbridge.

TERM TIME LINKS

Below are the Links to enable you to take part in your Zoom Class and then your RealBridge Practice Session:

To get access to your class, simply click on the **BLUE ZOOM CLASS LINK** for that class, 10 minutes before the class start time and you should get straight in.

After the class, to access the card play sessions, just click on the **GREEN/YELLOW RB LINK**, enter your name only, and all else needed is already entered. You will enter the Lobby, you can then just press one of the seat positions at a table and you will find yourself seated there and can have a chat with the others at that table

For any of the Assisted Play or Gentle Duplicate sessions just click on the **GREEN/YELLOW RB LINK** for the appropriate session

Day	Time	SESSION NAME	CLASS LINK	RB LINK
MONDAY	19.00-20.30	GENTLE DUPLICATE		
TUESDAY	19.00-21.00	GROUP C TEACHING CLASS

3. Enter your email and Password (this should be automatic on your usual machine)

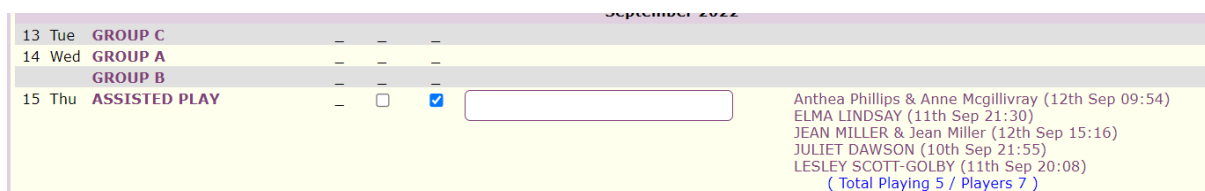

4. When you log in you should see a screen like this with your name after the 'Hello ..'

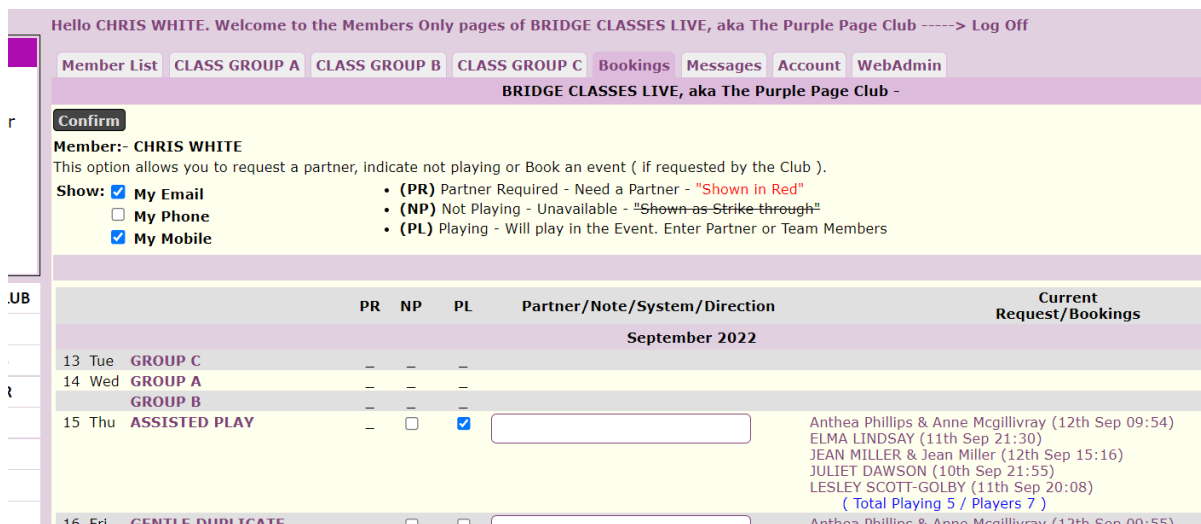

5. As you'll see above, I've highlighted the Bookings Tab, press that to take you to this page

6. We'll assume you want to Play in the Assisted Play on Thursday 15th, so all you need to do is to tick the box under the PL column like this

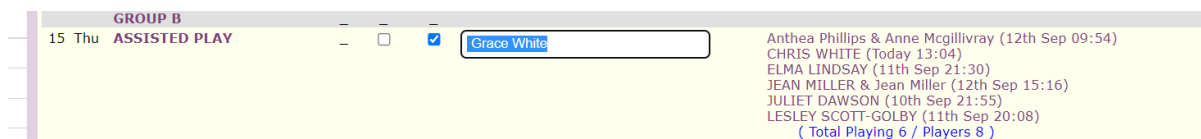

7. Then comes the important bit.. Look at the top left of the next shot – the word Confirm is highlighted – that’s the one you must click to save your choice.

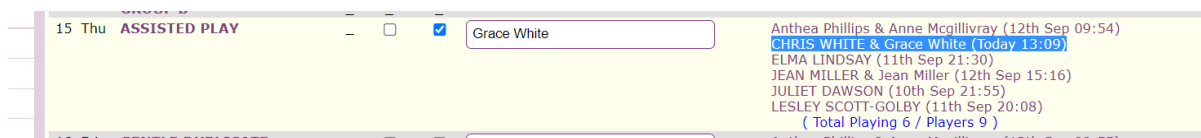

8. Once you’ve done that check that your name now appears on the list on the right means you’re now booked in.

PLEASE NOTE THAT UNLESS YOU PLAN TO BOOK FOR A PARTNER TOO YOU NEED TO DO NO MORE.

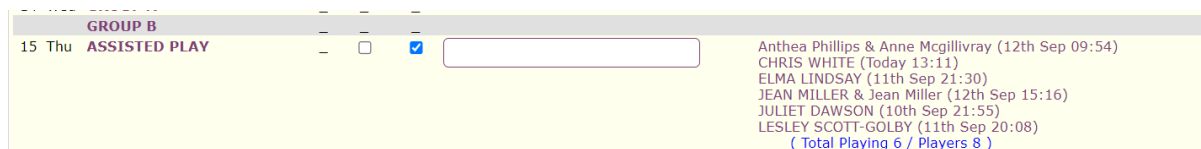

9. But what if I have a partner I want to play with. Well you simply add THEIR name to the box alongside your tick.

Again, we need to press CONFIRM with each change to get it accepted. Having done that you will see that my partner’s name is now alongside mine in the current bookings list.

10. My Partner has just said she can’t play now what do I do? Simple go back into the member area as above and delete her name from that particular session, then – guess what – yes you must CONFIRM to have the change accepted.

And lo and behold it's back to only me.

11. But now I can't manage, let's cancel my entry. Back into member area as above, scroll to the relevant session, and simply untick the PL box. And then... yes ... CONFIRM the change.

The screenshot shows a web interface for a session titled "ASSISTED PLAY". On the left, there is a search box with a magnifying glass icon and a dropdown arrow. On the right, a list of participants is displayed with their names and session dates/times:

- Anthea Phillips & Anne Mcgillivray (12th Sep 09:54)
- ELMA LINDSAY (11th Sep 21:30)
- JEAN MILLER & Jean Miller (12th Sep 15:16)
- JULIET DAWSON (10th Sep 21:55)
- LESLEY SCOTT-GOLBY (11th Sep 20:08)

At the bottom of the list, it says "(Total Playing 5 / Players 7)".

Now I'm no longer involved in that session.

12. Please note that if you delete yourself having entered a partner too, your partner's booking is deleted also. You will have to advise her to book again herself – you cannot do it for her.

13. PLEASE PLEASE don't put yourself in as your partner - it simply makes life difficult for the Director as their appears to be 2 people playing.
