Partner responds with a change of suit to hearts. East gets a simple overcall (Lesson 2) in spades in. With a minimum of eight hearts between the two hands, a singleton in the overcalled suit, South bids aggressively to the game contract in hearts.</p> <p>Declarer can see one spade to lose, but can then trump a spade in dummy, so keeps one trump there. The K♥ is missing but the finesse will succeed because it is on the "right" side. (Lesson 1 finessing). There is one club to lose because the king is on the "wrong" side. The Diamonds are solid, so eleven tricks are winnable.</p>	West	North	East	South				1♦	Pass	1♥	1♠	4♥	All Pass				B2 L05 Weak Unbalanced Hands

The re-bid supports spades at the next available level showing a weak opening hand with 5+ diamonds and 4+ spades.</p> <p>East has distributional hand (two doubletons) and five spades, 11HCP. If West is at the top end of a weak opening hand, the game contract could be there, and so East invites a game call with a further raise. West's hand is a lower end weak opening hand, and so passes.</p> <p>North / South never get a chance to find their heart fit.</p>	West	North	East	South	1♦	Pass	1♠	Pass	2♠	Pass	3♠	All Pass	B2 L05 Weak Unbalanced Hands
