

# **ONLINE SUPERVISED PLAY BRIERFIELD BRIDGE CLUB**

Our online Supervised Play sessions have been running for some time now and occasionally vacancies arise. We currently have an empty 'seat' on one of the Monday night sessions which run from 7.15 pm - 9.15pm on alternate weeks.

Sessions are held every Monday, alternate Tuesdays and alternate Wednesdays so it may be that you would prefer to just join a session occasionally when someone is missing, in which case you might like to be included on the reserve list.

If you are interested in the Monday vacancy or the reserve list and/or would like more information please contact Janet Marshall on 01282 842811. The sessions are £3 each.

Please don't be daunted by the online aspect, it's relatively easy to set yourself up on BBO and before you join the session Janet will ring you to go through your BBO registration with you and to show you how to join the 'table'. The first half hour is used for bidding practice and the remainder of the time is devoted to play with discussion about the hands. There is always a break half-way through.

These sessions may be particularly helpful for beginners and anyone who hasn't played bridge for some time.

If you're a little uncertain why not give it a try, nothing ventured, nothing gained !!
