Full details and enrolment details can be found on the Huddersfield U3A website www.huddersfieldu3a.org which contains the following class description.

Bridge is a fantastic game in which you never stop learning new ideas and improving your judgement.

It is exciting, stimulating and challenging, often frustrating but above all great fun.

Bridge is a social game. You meet wonderful people from all walks of life and form lifetime friendships.

If you don't already play bridge I urge you to join a beginner's class; if you do this is the class for you.

Each week we take an in-depth look at a particular bridge technique, maybe on hand evaluation, bidding, declarer play or defence. We practise that technique using carefully selected instructional hands. If it sounds serious it isn't, most importantly it is intended to be enjoyable and fun.
