

## Brighthouse Bridge Club – Re-opening sessions w/c 19<sup>th</sup> July 2021

Welcome Back to Bridge!

The sessions aim to offer a range of playing opportunities, all of which will recognise that some members have not played bridge for over a year, others who joined us as beginners during lockdown will be visiting the club for the first time. As a friendly club, we can all offer support and consideration to one another as we get 'Back to Bridge'.

This timetable may be adjusted as needed. Feedback from members appreciated.
