

This is a guide for those who are unsure how to register for a tournament on BBO.

1. After logging in, click “competitive”
2. Next click “all tournaments”
3. A list of all the pending tournaments will now appear. On the search line in the top right of this box, type “Brighthouse” and the “Brighthouse/Hull” event will show in the box.
4. Click on the event and it will take you to a registration screen. Type your partner’s BBO username and then click invite. They will get an invitation to partner you in the event and when they have accepted, you will get a notification on your screen. Only 1 player needs to do the registration but **both players must be online to complete the process.**
5. If you are unsure, call Oliver on 07946 393033 and he can talk you through it.

How to Pay

Cost is £2.50 per event.

Oliver is asking players to buy 4,6 or 8 credits at a time if possible, rather than paying each week but if for any reason you want to buy 1 at a time, that is fine.

To buy credits, this can either be done by BACS to the account below and if you do make a BACS payment, please email Oliver to let him know so that he can check against his bank statement :- oliver@hlcrecruitment.com
