

**BROMLEY NOVICE BRIDGE CLUB : RESUMPTION OF PLAY  
RULES AND GUIDELINES AUGUST 2020**

The club is trialling duplicate bridge on a Thursday starting on 3 September with a reduced number of tables.

A risk assessment has been carried out and agreed with the hall's administrators, who have issued the undertakings and requests reproduced below.

You will need to **book in advance** by contacting Vic on 07368 436108 up to three weeks in advance. Ensure Vic has your **current contact details**. If you develop a temperature, new persistent cough or lose your sense of smell or taste please cancel your booking and self isolate until you have had a test. If you test positive after attending a bridge session please inform Vic immediately.

You should arrive by 7.20 at the latest. Follow the signs to the hall and put on a **face covering** when entering the building. A wrap around clear plastic visor would be the most comfortable and sociable. We cannot use the kitchen and only one toilet will be available. If you wish to bring a bottle of water please clearly label with your name.

All equipment and surfaces will have been cleaned. Please **clean your hands** on entering, after using the toilet, after touching your face and before removing cards from boards. North should clean their hands before removing the traveller from the board and write scores clearly before holding up for others to see.

East West need to take their **boxes** with them. If you would rather bring your own from home please inform Vic that you will be doing so and label clearly.

If you are going to be East/ West a labelled bag big enough to take all your belongings from table to table would be helpful as you will be carrying more than usual and going back for missing items will cause unnecessary contact.

At the end of the evening you will need to wipe down your own chair before stacking it. Make sure you take all your belongings with you.

Its essential to bring your own :

- Pen
- Face covering/ visor
- **Exact** table money (as change cannot be given)
- Small non sticky hand sanitizer

Optional to bring:

- A bag to carry items from table to table if you are East West
- Drink labelled with your name
- A bidding box

Remember to

- Book in advance
- Follow the signs
- Wear a face covering when inside
- Keep your distance
- Wait for instructions before sitting at a table or moving
- Wait for the Director to move the Boards
- Clean your hands before removing the cards from the board and after touching your face
- Leave North to handle the traveller
- Take your box with you to the next table
- **Enjoy yourself**
