

The 2022 season was one to be remembered by Penylan Ladies.

- Ladies Bowling clubs across Wales were given the opportunity to change their Club team uniform to coloured tops and trousers to help modernise the game of ladies bowls.

Therefore Penylan Ladies opted for new colourful tops and royal blue trousers and were the first club in Welsh Women's Bowls to make these changes.

Whilst attending a Welsh Ladies Patrons day at Llandrindod Wells at the beginning of the season many comments stating how much they liked the uniform were received from numerous Welsh Ladies Clubs.

- A great achievement was made in 2022.

The Ladies became the County Afternoon League Champions thus winning their first ever trophy.

A wall plaque in recognition of this accomplishment was presented at the Glamorgan Women's Bowling Association AGM.

The Penylan Ladies are hoping for another successful season in 2023.
